

STARS OF THE TRACK.

Sanger, Bliss, Macdonald and Other Famous Racing Cyclists

GOT IN WHEELING AT MIDNIGHT

And Were Received With Enthusiasm—Meister's Band Did Escort Duty Assisted by Knights of Pythias. A Great Day of Racing is the Prospect—The Results at Pittsburgh Yesterday—Something About the National Circuit and Stars of the Track.

The majority of the class B bicycle racing men who took in the national circuit races at Pittsburgh yesterday afternoon came down on the Baltimore & Ohio train which arrived in the city at 11:30 p. m. Those who came were Manager D. G. Shafer, Trainers Will Highland and P. L. McGue, and Bliss, Cooper, Lumsden and Githens, of the Rambler team; Manager M. L. Budgerman, Trainer Aaa Windle and Macdonald, Goebler and W. F. Murphy, of the Columbia team; Manager W. F. White, Trainers Culver and Brown, E. E. Johnson and L. C. Johnson and Cabanne, of the Cleveland team; Trainer E. C. Dumbleton and Walter Sanger, of the Union team; Manager Pat Hunsley and Goez, of the Triangle team; T. R. Eddy and Conn Baker, of Columbus; A. L. Banker, of Pittsburgh, and others. A number of the class A racing men remained in Pittsburgh and will come down this morning. It is probable that at least fifty men will be here.

The train was met on its arrival by the wheelmen, who were reinforced by the Meister band and a division of the Uniform Rank Knights of Pythias. The line of march was taken up for the McLure, where at least five hundred people were on hand with curiosity sticking out on every feature. Sanger and Bliss were the especial objects of the crowd's attention. Among the arrivals last night was Oliver Perry Bernhart, Toledo's crack, a man who is on scratch with Pittsburgh's best, Artie Banker, in the A handicap this afternoon.

D. G. Shafer, the manager of the famous Rambler team, is an old Wheeling boy and this is his first visit here in seven years. He renewed many an old acquaintance last evening. By the way, he is a brother of City Collector Shafer. His family is now visiting the latter.

Last evening Mayor Caldwell, with his usual friendliness toward the wheelmen, declared this (Saturday) afternoon a half holiday. His proclamation to this effect appears in another column, in which he urges that so far as practicable employes be given a "lay off" this afternoon. This will no doubt swell the attendance.

The races will start at 2 p. m. sharp, and the ten events scheduled will be run off before 6 o'clock. It is probable that the record breaker "Pie" Bliss will go against the half mile flying start record, paced by Githens and Lumsden on the tandem. This should be an attraction extraordinary. Mr. "Andy" Hanner, the famous Cincinnati trick rider, and his side partner, "Pete," will arrive this morning.

THE PITTSBURGH RACES.

Sanger Only Secured One Victory, Brown and Johnson Taking the Honors. Special Dispatch to the Intelligencer.

Pittsburgh, Sept. 28.—In point of attendance, of racing and altogether all around success the national circuit race meet of the Keystone Bicycle Club on the Schenley park track here this afternoon will be remembered by those who attended. The crowd was estimated at 7,000 to 10,000, and although a strong breeze down the back stretch made any remarkable time impossible, the finishes were nearly all of the hair-raising, hammer and tongs variety that has brought cycle racing up to a standard second to no other speed contests. The feature of the day was the winnings made by the Cleveland team, composed of Cabanne, Brown and E. C. and L. C. Johnson, in opens as well as handicaps; those men showed themselves right to the front. Neither Sanger or Bliss, the two scratch men in the handicaps, made their usual good showing. As usual the big follow—Sanger—did not contest in the quarter mile events, on account of his great weight, being unable to get the quick starts of the lighter men that tell in a race of short distance.

The first event on the programme was the one mile novice race, in which seven men competed, including John Arbenz, the Wheeling road racing crack. This was his first track contest, and he would have won but for an unfortunate puncture just before the start. With the luck for which he is noted, Arbenz took a heavy road wheel and went into the race. To everybody's surprise he took third place, not twenty feet behind the winner, in 2:31, remarkably good novice time.

Second, one-half mile, 1:20 class, Class A—Troppe, of Cleveland, won; J. E. Patterson, of Pittsburgh, second; George Redfern, of Wilmerding, third. Time, 1:11 1/5.

Third, quarter mile open, Class B—This was considered on all sides to be one of the finest races of the year; in the last hundred yards it developed into such a close contest that an inch was a first class lead. E. C. Johnson and Brown, his team mate, were inch and inch, and Tom Cooper, of the Ramblers, was less than a foot behind while the field was thundering down the stretch in a bunch five feet in the rear. They crossed the tape in the order named, Johnson winning from Brown by a hair's breadth. Had the race been a foot further the "doctor" would have been the victor. Time, 32 1/5.

Julian "Pie" Bliss then made an attempt on his own mile, flying start, record, 1:52 3/5, paced by Githens and Lumsden and Brandt and Cooper on tandems, but the gale that was raging over on the back stretch prevented anything like really fast time. The pick-up by Githens and his mate was very fine. Time, 2:13 1/5.

One mile, Class A, handicap—J. K. Newman, Bellevue, Pa., won; Otto Mayo, Erie, Pa., second; J. E. Patterson, Pittsburgh, fourth. Time, 2:14 2/5.

One mile open, Class B—This race was the occasion of another "scrap" between the cracks. At the start and until the last turn was reached it was a long McDonald doing most of the donkey work. As they entered the stretch all turned loose and the cry went up, "Sanger wins," but the big fellow, though cutting out a terrific pace, finished third to Brown's first and Cabanne's second. Time, 2:44 1/5.

Sixth, one-quarter, Class A open—Otto Mayo, Erie, Pa., first; A. L. Banker, Pittsburgh, second; Paul Nelson, Pittsburgh, third. Time, 33 seconds.

Seventh, one-half mile open handicap, Class B—Bliss and Sanger both

"The Fencing Master,"

De Koven & Smith have done so much that is good in the light opera line that the firm name is a guaranty of something worth seeing and hearing. "The Fencing Master" is no exception. It was given in Wheeling last night for the first time. The Opera House was crowded and the audience manifested its gratification all through the performance. The music is sparkling, the libretto bright, the costume picturesque and the company is strong in numbers and of good quality. Some of the parts might easily have been bestowed on better voices, but the average was good and the performance altogether pleasing.

John B. Watt, proprietor of the Globe hotel, severely trounced a drummer who stopped at that hotel for supper Thursday evening. The fellow was under the influence of liquor, but was smart enough not to register, thus keeping his name from the public. Instead of ordering his supper he insulted the dining-room girl, but by an improper proposal and a freedom not common. When Mr. Watt heard of it a few minutes later he kicked the fellow out into the street and he left without attempting to make complaint for assault. The universal verdict is that the fellow was served right.
